De Bono – Six Values Medals

Gold – Human Values

Silver – Organisational Values

Steel – Quality Values

Glass – Innovation Values

Wood – Environmental Values

Brass – Perceptual Values

Name

…the values of the Anglican Church right now. (Silver and Steel)

What evidence do you see for these?

Name

…one value that might be most important for our future?

(If we want to be a more missional church or to be healthy and growing)

Describe what that value would look like in action?

Suggest three things the church might do if it held that value.

What happened?

We have travelled 30 years forward in time and discover an Anglican Church that has become important to a (still secular) Australian society?

How did this happen?

What

….is the problem with the culture of Australian politics or elite sports?

What might help to fix it?

What

…is the problem with the culture of the Anglican Church?

What might help to fix it?

If you had to say there is something about the Anglican Church that the world needs, that Australian society needs what would you say it is?
